Chapter 9
Case No. 13-53846
Magistrate Judge:
Steven W. Rhodes

MOTION

NOW COMES Benyne Goldston and Evelyn Smith and Pursuant Federal Court Rules of Civil Procedure 7(b) (1) and the 1st Amendment of the Constitution of the United States. We object to the Plan of Adjustment for the following reason:

OBJECTION

Impairment of Minority Rights: In regards to the Plan of Adjustment and the voting process, it was report that the majority of those voting accepted the Plan. In light of this, there is still a minority that voted to reject the plan and have submitted objections to support our belief the plan should not be approved. The Plan suggests that even if the respondents voted to reject the Plan, there would be no rights to appeal or sue should the Plan be approved. It is our contention that we reserve the right to sue or appeal should the Plan be approved.

The above motion is not a duplicative because it is not made by a member of class 11 exclusively. Evelyn Smith shall witness on behalf of the motion. The witness will require approximately 15-20 minutes.

Exhibits will be provided upon hearing notification.

Therefore, the 5th Amended Plan of Adjustment is not fair, equitable or just and not meet the requirement for confirmation.

Wherefore we hereby object to the 5th Amended Plan of Adjustment.

Respectfully submitted,

Evelyn Smith
